

METAPHORS

(Chorus)

Metaphors are comparing someone to something or something to something

But not literally (not) not literally (not) not literally (not) not literally

Metaphors are comparing someone to something or something to something

But not literally (not) not literally (not) not literally its just a figure of speech

(verse 1)

Im a wild animal from the jungle

Compares **me** to an **animal**, **my town** to a **jungle**

Sun is a bright yellow light bulb

That compares **the sun** to a **light bulb**

He is a wall, nothing can get past him

That compares **a person** to a **wall**

But not literally not literally not literally there only **metaphors**

(Chorus)

Metaphors are comparing someone to something or something to something

But not literally (not) not literally (not) not literally (not) not literally

Metaphors are comparing someone to something or something to something

But not literally (not) not literally (not) not literally its just a figure of speech

(verse 2)

He is my dog, we are best friends

That compares **my friend** to a **dog**

But not literally not literally not literally there only **metaphors**

I work hard trying to make that cheddar (quak)

That compares **money** to **cheese**

But not literally not literally not literally there only **metaphors**

(Chorus)

Metaphors are comparing someone to something or something to something

But not literally (not) not literally (not) not literally (not) not literally

Metaphors are comparing someone to something or something to something

But not literally (not) not literally (not) not literally its just a figure of speech
