

# BIG BANG THEORY

(verse)

ABOUT 15 BILLION YEARS AGO  
WHEN THE SPACE EXPLODED  
OUR UNIVERSE CAME TO EXISTANCE  
FROM A THOUGHT CALLED THE BIG BANG THEORY  
THE BEGINNING OF THE THEORY  
IS CREDITED TO EDWIN HUBBLE  
HE OBSERVED THAT THE UNIVERSE  
IS CONSTANTLY EXPANDING  
NOW THE BIG BANG THEORY  
IS A THEORY TRYING TO EXPLAIN  
AT FIRST THERE WAS NOTHING  
THEN CAME OUR UNIVERSE AFTER THE BANG

(chorus)

BANG BANG BANG  
BANG BANG BANG  
BANG BANG BANG  
BANG BANG BANG  
THE BIG BANG THEORY
