

INHERITED

(CHORUS)

WHEN ANIMALS ARE BORN, WHEN PLANTS ARE BORN
THERE ARE A LOT OF DIFFERENT FEATURES THAT THEY BOTH TAKE ON
SOME ARE INHERITED, SOME ARE INHERITED,
SOME ARE INHERITED, SOME ARE INHERITED,
SOME ARE INHERITED, SOME ARE INHERITED,
SOME ARE INHERITED, SOME ARE INHERITED

(VERSE)

NOW ANIMALS INHERIT FROM THEIR PARENTS THE COLORS OF EYES
THEY CAN INHERIT THE COLOR OF THEIR HAIR, OR EVEN THEIR SIZE
PLANTS TOO CAN INHERIT FROM THEIR PARENTS THE COLOR OF THEIR SKIN
THEY CAN INHERIT THEIR SHAPE, EVEN THE SIZE OF THEM
INHERIT IS TO GET SOMETHING FROM SOMEONE THROUGH YOUR GENES
INHERIT IS TO GET SOMETHING FROM SOMEONE THROUGH YOUR GENES

(CHORUS)

WHEN ANIMALS ARE BORN, WHEN PLANTS ARE BORN
THERE ARE A LOT OF DIFFERENT FEATURES THAT THEY BOTH TAKE ON
SOME ARE INHERITED, SOME ARE INHERITED,
SOME ARE INHERITED, SOME ARE INHERITED,
SOME ARE INHERITED, SOME ARE INHERITED,
SOME ARE INHERITED, SOME ARE INHERITED
