

LIVING THINGS COMPARED

(chorus)

WHATS THE DIFFERENCE BETWEEN LIVING THINGS
WHATS THE SAME THING ABOUT LIVING THINGS
WE KNOW IT, WE KNOW IT, WE KNOW IT, YUP WE KNOW IT

(verse1)

ANIMALS AND PLANTS ARE THE SAME
CAUSE THEY BOTH HAVE CELLS AS PART OF THEIR ANATOMY
PLANTS HAVE XYLEM AND PHLOEM AND ROOTS
SIMILAR TO THE ANIMALS VEINS AND ARTERIES
AND THEY REPRODUCE, ANIMALS HAVE EGGS
AND PLANTS HAVE SEEDS
AND THROUGH THEIR RESPIRATORY SYSTEM
BOTH PLANTS AND ANIMALS BREATHE

(chorus)

WHATS THE DIFFERENCE BETWEEN LIVING THINGS
WHATS THE SAME THING ABOUT LIVING THINGS
WE KNOW IT, WE KNOW IT, WE KNOW IT, YUP WE KNOW IT
WHATS THE DIFFERENCE BETWEEN LIVING THINGS
WHATS THE SAME THING ABOUT LIVING THINGS
WE KNOW IT, WE KNOW IT, WE KNOW IT, YES WE KNOW IT

(verse2)

ANIMALS AND PLANTS ARE DIFFERENT
BECAUSE ANIMALS EAT PLANTS, PLANTS DON'T EAT ANIMALS
ANIMALS DON'T MAKE THEIR OWN FOOD, PLANTS DO
AND ANIMALS DON'T HAVE CHLOROPHYLL
ANIMAL CELLS DON'T HAVE CELL WALLS
YES PLANT CELLS HAVE CELL WALLS
ANIMALS TAKE IN OXYGEN AND GIVE OFF CARBON DIOXIDE
WHILE PLANTS DO THE OPPOSITE

(chorus)

WHATS THE DIFFERENCE BETWEEN LIVING THINGS
WHATS THE SAME THING ABOUT LIVING THINGS
WE KNOW IT, WE KNOW IT, WE KNOW IT, YUP WE KNOW IT
WHATS THE DIFFERENCE BETWEEN LIVING THINGS
WHATS THE SAME THING ABOUT LIVING THINGS
WE KNOW IT, WE KNOW IT, WE KNOW IT, YES WE KNOW IT
