

# POLLUTION

(chorus)

POLLUTION IS WHEN THERES CONTAMINANTS IN THE ENVIRONMENT

AND ITS OUT OF CONTROL, AND ITS OUT OF CONTROL

AND ITS OUT OF CONTROL, AND ITS OUT OF CONTROL

POLLUTION IS WHEN THERES CONTAMINANTS IN THE ENVIRONMENT

AND ITS OUT OF CONTROL, AND ITS OUT OF CONTROL

AND ITS OUT OF CONTROL, AND ITS OUT OF CONTROL

(verse)

AIR POLLUTION- THE MAJOR CAUSE

COME FROM CAR EXHAUST

AND FROM COMBUSTION OF COAL

AND FROM ACID RAIN AND FROM TOBACCO

WATER POLLUTION- CAN COME FROM INDUSTRIAL

THEY WASTE ACIDS, POISONS, OILS IN SOME CASES

EVEN IN AGRICULTURE THE PESTACIDES AND FERTILIZERS

POLLUTE THE WATERS AND SO DO WE, POLLUTE THE WATERS DON'T YOU AGREE

SOIL POLLUTION COMES FROM THE WEED KILLERS RIGHT

AND FROM THE INSECT KILLERS CALLED PESTACIDES

AND FROM THINGS THAT WE THROW ON THE GROUND AND TAKE FOR GRANTED

YES ITS US, POLLUTING AND KILLING THE PLANET
