

SUPER STAR

(chorus)

I'M A SUPER STAR, SUPER STAR
STARS IN THE NIGHT TIME, ONE STAR IN THE DAY TIME
I'M A SUPER STAR, SUPER STAR
STARS IN THE NIGHT TIME, ONE STAR IN THE DAY TIME
I'M A SUPER STAR, SUPER STAR
STARS IN THE NIGHT TIME, ONE STAR IN THE DAY TIME
I'M A SUPER STAR, SUPER STAR
STARS IN THE NIGHT TIME, ONE STAR IN THE DAY TIME

(verse1)

RED DWARF STARS CAN RANGE IN A SIZE
FROM A HUNDRED TIMES SMALLER THAN THE SUN TO A FEW TIMES
BECAUSE OF THEIR SIZE THEY BURN SLOWER
THAT'S THE REASON THEY LIVE LONGER
RED DWARF STARS ARE RED BUT NOT AS HOT
THINK OF FIRE, THE RED PARTS THE COOLEST PART
THAT'S HOW YOU CAN TELL A STARS TEMPERATURE
LOOK UP AT THE SKY AND NOTICE THE COLOR
YELLOW STARS ARE LIKE THE SUN
COLOR COMES FROM A TEMPERATURE THAT'S MEDIUM
WITH A HIGH TEMPERATURE, THAT BURN FUEL FASTER
WON'T LIVE AS LONG CAUSE THEY BURN FUEL FASTER
BEFORE THE YELLOW STAR DIES IT GETS LARGE
THEN SHRINK LEAVING GAS PLANETARY NEBULA
PLANETARY NEBULA
IS WHEN THE GAS FORMS A BEAUTIFUL CLOUD AROUND THE STAR

(chorus)

I'M A SUPER STAR, SUPER STAR
STARS IN THE NIGHT TIME, ONE STAR IN THE DAY TIME
I'M A SUPER STAR, SUPER STAR
STARS IN THE NIGHT TIME, ONE STAR IN THE DAY TIME
I'M A SUPER STAR, SUPER STAR
STARS IN THE NIGHT TIME, ONE STAR IN THE DAY TIME
I'M A SUPER STAR, SUPER STAR
STARS IN THE NIGHT TIME, ONE STAR IN THE DAY TIME

(verse2)

NOW THE BLUE GIANT STARS ARE SO LARGE
AND COMPACT THEY BURN FUEL QUICKLY
BLUE GIANT STARS ARE SO LARGE
AND COMPACT THEY BURN FUEL QUICKLY
WHEN THEY DIE OUT THEY GROW LARGER
AND EXPLODE IT'S CALLED A SUPER NOVA
WHEN THEY DIE OUT THEY GROW LARGER
AND EXPLODE IT'S CALLED A SUPER NOVA
GIANT STARS ARE BURNING RED
CAUSE THEIR RUNNING OUT OF HYDROGEN NOW BURNING HELIUM
GIANT STARS ARE BURNING RED
CAUSE THEIR RUNNING OUT OF HYDROGEN NOW BURNING HELIUM
MANY STARS YOU SEE AT NIGHT ARE GIANT STARS
BECAUSE THEY BURN A LOT BRIGHTER THAN OTHER STARS
THE LAST SET OF STARS ARE THE SUPER GIANT STARS
THE SAME AS GIANT STARS BUT MUCH BIGGER

(chorus)

I'M A SUPER STAR, SUPER STAR
STARS IN THE NIGHT TIME, ONE STAR IN THE DAY TIME
I'M A SUPER STAR, SUPER STAR
STARS IN THE NIGHT TIME, ONE STAR IN THE DAY TIME
I'M A SUPER STAR, SUPER STAR
STARS IN THE NIGHT TIME, ONE STAR IN THE DAY TIME
I'M A SUPER STAR, SUPER STAR
STARS IN THE NIGHT TIME, ONE STAR IN THE DAY TIME
